Library News

For those of you who enjoy James L. Rubart, his new book **The Chair** has just arrived. When an elderly lady shows up in Corin Roscoe's antiques store and gives him a chair she claims was built by Christ, he scoffs. Searching for the truth about the artifact and the unexplained phenomena surrounding it, Corin soon realizes he isn't the only one willing to do almost anything to possess the power that seems to surround the chair. A real page turner.
