**Library News**

Do you like reality television? Try **Almost Amish** by Kathryn Cushman. In it two sisters in laws and their children spend the summer trying to live in the Amish lifestyle; needless to say things do not always go according to plan. While learning to cook on a wood stove, and how to milk a cow, other more important things are discovered. The underlying theme throughout the book is the use of God's gifts and how to find the gift he gave you.
