## Library News

Just Arrived! **Material Witness** by Vannetta Chapman, the third in the Shipshewana Amish Mystery series.

If you enjoyed *Falling to Pieces* and *A Perfect Square* you will enjoy this one. This time it's a madman loose in the town's largest crowd of the year, and he's looking for something or someone. The mystery opens with the death of a woman in the parking lot of Callie's quilt store. If Callie and her group of Quilters can't figure out what the man is looking for one of them might be next. Masked identities, antique quilts with hidden messages an Amish boy who's handicap makes him stronger, one brave dog, and a possible hidden treasure. . . it's nonstop action, danger, and a dash of romance as our group embarks on a journey of faith deep into the heart of God's grace.
