Like suspense? Try **The Church Builder** by A. L. Shields - Bethany Barclay has been mourning the hit-and-run death of the best friend, then the son of her wealthiest client is found murdered in her kitchen and Bethany becomes the leading suspect. Fleeing both the authorities and a mysterious killer, Bethany is caught in the web of a shadowy organization determined to destroy Christianity. The final outcome rests on her ability to piece together the last three months of her best friends life. A book you will not be able to put down till the last page.
