Heartfelt thanks to all who donated to the Second Metal Recycling Project. Thanks to Tom Chernoff, Peter Boorman and Laurie Stephenson who heaved 1,260 pounds of metal in/out of a truck to save this amount of metal from entering the landfill. Well Done. This brings the total weight of metal collected in the first two ventures to 1,730 pounds. The next Fund Raising and Metal Recycling Project will take place in November of 2016. Thank you for all your contributions!
