LIBRARY NEWS

The Last Foundling by **Tom H. Mackenzie** is a moving true story of a little boy left behind, and the mother who wanted him back. In 1938 Jean left her little boy at a foundling hospital to be brought up under its harsh regime. Tom leaves the hospital at the age of 15 and has a series of misadventures till he tracks down his mother who gave him away. This is a deeply moving true story and a testament to the healing power of forgiveness and love.

We've been doing a great job ... but!
**The City of Surrey Waste Management
Inspectors.**

Recently Surrey Inspectors have been checking on City waste in incorrect bins. They can ticket offenders and can discontinue pick-up for continued infractions.

Please be careful

BLUE Bins = no plastic bags, cello or saran; No glass.

GREEN Bins = No rocks or soil.

Please remember that lids of bins have to close. Overstuffed bins can be left behind.

Are you as upset about this as Isobel & Charlie are??
