Keep cool in this summer heat by letting the characters in your book do the running around. For an action packed adventure, try **No One To Trust** by **Lynette Eason**. Jumping from the fry pan into the fire, Summer awakes to a missing husband and three men in her home who are intent on finding him. *"Eason outdoes herself in this taut, breakneck story of lies, loyalties, and love that will have you up all night to discover the truth hidden in the shadows."*
