Dear Committee Members and Congregation;

On behalf of Sources Women's Place, I wish to send a special thank you, once again, for your support over 16 years!

Your continued donations towards our Hot Lunch Program, a total of \$1,080.00 this past year, to purchase produce and soup ingredients, have been a great benefit.

As you are aware, the pandemic severely impacted our services since mid-March 2020 but this support has enabled us to set up a weekly bagged lunch distribution, using social distancing and still be able to address other crisis issues, both on that day and throughout the week, as needs arose.

We strive to be a source of hope, strength and resilience for infants, seniors, families, and all persons coping with isolation, addiction, mental illness, poverty, disability and conflict. In the context of social distancing, we still needed to continue to promote social wellness.

Your congregation and committee have been a great aid for not only our centre but to the 5 single Mums that you support with the Safeway Gift Cards through the Lunchbox Program along with your annual hamper gift cards for their Christmas and holidays.

This generosity helps to send a message that all are valued and not alone in this world.

On behalf of everyone at Sources Women's Place, we thank you for your continued donations to our organization and this community.

All the best for 2021!

Stay well,

Wendy Kaczur
