THE LUNCH BASKET FOR HUNGRY CHILDREN - is provided this week by Leslie Ann and Chris Hebb to the glory of God with gratitude for how God has provided for our families of origin and our growing family of now.

BACK BY POPULAR DEMAND, but with a difference! - ANNUAL METAL RECYCLING EVENT

The difference: no 500 lb car engines nor donations of massive very heavy pieces. In an abundance of caution; we MUST protect the 70+ & 80+ year-olds who are the vast majority of those who manage all the lifting for this event. We shall continue to collect:

all gauge & length of electrical cord & all kinds of metal that cannot be recycled through your regular waste/recycle collection. Watch for a Fall date: likely November. Contact: anne_schreck@shaw.ca

St Mark's Virtual Coffee Hour Sunday June 13 @ 11 am

Register in advance for this meeting: by emailing the office by Thursday the week preceding the Coffee hour or through the website before 11am Sunday.

After registering you will receive a confirmation email containing information about joining the zoom Sacred Grounds Coffee Hour.If you registered once you are already registered for the following coffee hours.

THE LUNCH BASKET FOR HUNGRY CHILDREN provides funding for lunches to five single Mothers and nine children. Please help support these families by choosing a 2021 date (see chart below) to support these families and have a dedication in the weekly E Pulse. Email or phone Darlene W. or Barb G. with your dedication. The suggested donation of \$60 can be made by e-transfer, the Donation Station, or by dropping off a cheque in the mailbox at the church office.

A Great Job Well Done Scouts & Launching Pad Fellows!!

While the fellows from the Launching Pad cleared an enormous amount of debris from the back forest on May 20, Jessica Grohs, White Rock 10th Scout Commissioner, organized a group of 15 of the local younger scouts & a couple of leaders to finish the job Tuesday evening June 8.

The younger scouts were energetic, inquisitive and very chatty as they filled John Finley's van with a third load and more than filled St. Mark's five large organic green bins! This working relationship is a great help to both groups in their endeavours and to the Church in managing the forest safely and without cost to the Parish.

Creation Care Ministry Co-ordinator
