Counters Wanted!

We hope to get back to some semblance of normal worship attendance in early 2022.

When we do, we hope that we will receive more contributions than at present via cash and cheques in envelopes and in the open collection.

When this happy time arrives, we will need a team of volunteers to count the donations each week, ensure that they are credited to donors, and deposit them into our bank account.

We need teams of two people who can spend 45 to 60 minutes in the church office after the service. We can provide training, and if needed, we can combine an experienced counter with a new volunteer.

If we are able to recruit enough volunteers, each team should only be required to count approximately once every two to three months.

If you are interested, please leave your name and contact details with Sheila at the church office, or contact John Ritchie at jrlraway@hotmail.com. John can provide further details about the counting ministry, and can address any concerns that you might have.
