### **E-PULSE NEWSLETTER OF ST. MARK OCEAN PARK MAY 15, 2022**

**THERMOSTATS** All the thermostats have been reset allowing for times when the rooms are not being used and when they are being used. If you want the temperature raised or lowered use the following procedure:

- 1) Do not touch the buttons on the left hand side of the thermostat
- 2) Using the arrows on the right hand side of the thermostat, raise or lower the temperature by using the up or down arrows.

Do not worry when leaving the room because the temperature will reset itself at the next reset position. Also, if raising the temperature, set the temperature at the temperature you want and not at a higher temperature.

**Calling all Picasso and Rembrandt Wannabes** - We would like to do some touch up painting:

1 Yellow wall on right side of entrance and second wall

2 clean picket fence and prime paint.

Paint is already bought. We have lots of painting supplies. Painting together can be fun.

Please contact me if interested. [Johnffinley@hotmail.com](mailto:Johnffinley@hotmail.com)
